stunning collection of street photography featuring historic vehicles and buildings This remarkable book takes the reader on a nostalgic transport journey into streets throughout the British Isles some of which have hardly changed except for the vehicles displayed whilst others have been transformed or have in some cases altered virtually beyond all recognition Hours of fascinating research using Google Street View has enabled the authors to indicate how their selected street scenes have changed and also how readers can explore these changes for themselves by accessing Google Street View The authors have managed to bring together some truly outstanding and often stunning images from a period when color coverage of transport subjects was in its infancy As a result the book includes many previously unpublished views taken between 1950 and 1975 the majority from collections held by Online Transport Archive of which charity both authors are trustees The richly varied street scenes depict not only buses trams and trolleybuses but also people as well as railway locomotives cars lorries vans cinemas churches retail outlets and public houses An absolute feast for the eye Rich in variety and with a wealth of detailed captions This is a highly readable and accessible book which will immerse the reader in scenes of a halcyon yesteryear As the reader turns the pages it would be understandable to feel mournful about the loss of manufacturers coachwork builders and the industrial scenes enclosed within However there is also cause to be thankful for the vision of the photographers to capture the everyday scenes which whilst no longer with us have been captured and preserved for the benefit of posterity Donna s Book Blog A highly recommended read for all Five stars UK Historian **Whitaker's Cumulative Book List** ,1984

Psycho-Sexual David Greven,2013-01-02 Argues that Alfred Hitchcock s themes of heterosexual male ambivalence and homoeroticism influence some of the films of directors Brian De Palma Martin Scorsese and William Friedkin **The London Single-deck Bus of the Fifties** J. S. Wagstaff,1976 **British Motorcycles of the 1960s and '70s** Mick Walker,2013-01-20 For the first half of the twentieth century Great Britain led the world in motorcycle design and production exporting its products to countries all over the globe However by 1960 this once great industry had fallen into what was to be a terminal decline During the 1960s and 70s Britain still manufactured a wide range of machines but a combination of poor management lack of investment foreign competition notably from Japan and the arrival of the small affordable car conspired to sound the death knell for most British motorcycles by the end of the 1970s Mick Walker uses a host of colourful illustrations to explore the models produced by British companies and their foreign competitors and explains what the industry did to fight its ultimate demise **Memories of 1950 in Ankara, Turkey** Elizabeth McNeill Leicester,2009-08-08
