Warlight Michael Ondaatje,2018-05-08 NATIONAL BESTSELLER BOOKER PRIZE FINALIST From the internationally acclaimed Booker Prize winning author of The English Patient an elegiac thriller with the immediate allure of a dark fairy tale The Washington Post set in the decade after World War II that tells the dramatic story of two teenagers and an eccentric group of characters In a narrative as beguiling and mysterious as memory itself shadowed and luminous at once we read the story of fourteen year old Nathaniel and his older sister Rachel In 1945 just after World War II they stay behind in London when their parents move to Singapore leaving them in the care of a mysterious figure named The Moth They suspect he might be a criminal and they grow both more convinced and less concerned as they come to know his eccentric crew of friends men and women joined by

a shared history of unspecified service during the war all of whom seem in some way determined now to protect and educate in rather unusual ways Rachel and Nathaniel But are they really what and who they claim to be And what does it mean when the siblings mother returns after months of silence without their father explaining nothing excusing nothing A dozen years later Nathaniel begins to uncover all that he didn't know and understand in that time and it is this journey through facts recollection and imagination that he narrates in this masterwork from one of the great writers of our time The Perfume Thief Timothy Schaffert, 2022-07-05 A stylish sexy page turner set in Paris on the eve of World War II where Clementine a queer American ex pat and notorious thief is drawn out of retirement and into one last scam when the Nazis invade A hint of Moulin Rouge a whiff of Kristin Hannah's The Nightingale a little spritz of Hitchcock's To Catch a Thief The Perfume Thief is a pulse pounding thriller and a sensuous experience you'll want to savor Oprah Daily Clementine is a seventy two year old reformed con artist with a penchant for impeccably tailored suits Her life of crime has led her from the uber wealthy perfume junkies of belle epoque Manhattan to the scented butterflies of Costa Rica to the spice markets of Marrakech and finally the bordellos of Paris where she settles down in 1930 and opens a shop bottling her favorite extracts for the ladies of the cabarets Now it's 1941 and Clem's favorite haunt Madame Boulette's is crawling with Nazis while Clem's people the outsiders the artists and the hustlers who used to call it home are disappearing Clem's first instinct is to go to ground it's a frigid Paris winter and she's too old to put up a fight But when the cabaret's prize songbird Zoe St Angel recruits Clem to steal the recipe book of a now missing famous Parisian perfumer she can't say no Her mark is Oskar Voss a Francophile Nazi bureaucrat who wants the book and Clem's expertise to himself Hoping to buy the time and trust she needs to pull off her scheme Clem settles on a novel strategy Telling Voss the truth about the life and loves she came to Paris to escape Complete with romance espionage champagne towers and haute couture this full tilt sensory experience is a dazzling portrait of the underground resistance of twentieth century Paris and a passionate love letter to the power of beauty and community in the face of insidious hate **Sacred Hunger** Barry Unsworth, 2012-01-10 Winner of the Booker Prize A historical novel set in the eighteenth century Sacred Hunger is a stunning engrossing exploration of power domination and greed in the British Empire as it entered fully into the slave trade and spread it throughout its colonies Barry Unsworth follows the failing fortunes of William Kemp a merchant pinning his last chance to a slave ship his son who needs a fortune because he is in love with an upper class woman and his nephew who sails on the ship as its doctor because he has lost all he has loved The voyage meets its demise when disease spreads among the slaves and the captain's drastic response provokes a mutiny Joining together the sailors and the slaves set up a secret utopian society in the wilderness of Florida only to await the vengeance of the single minded young Kemp **Amnion** Stephanie Sy-Quia, 2021-11-04 A brilliant and beautiful book which wrestles with the scope and ache of lineage the origin and myth and making of ourselves Rachel Long author of My Darling from the Lions Unlike almost anything I've read so alive it seems to squirm to the touch Will Harris author of RENDANG
