That Woman:

That Book Woman Heather Henson, 2011-07-26 An exquisitely illustrated paean to everyone who struggles to learn how to read and to everyone who won't give up on them Cal is not the readin type Living way high up in the Appalachian Mountains he'd rather help Pap plow or go out after wandering sheep than try some book learning Nope Cal does not want to sit stoney still reading some chicken scratch But that Book Woman keeps coming just the same She comes in the rain She comes in the snow She comes right up the side of the mountain and Cal knows that's not easy riding And all just to lend his sister some books Why that woman must be plain foolish or is she braver than he ever thought That Book Woman is a rare and moving tale that honors a special part of American history the Pack Horse Librarians who helped untold numbers of children see the stories amid the chicken scratch and thus made them into lifetime readers

That Woman Nikki Van Hightower, 2020 When Nikki R Van Hightower stepped into the position of Women's Advocate for the City of Houston in 1976 she quickly discovered that she had very little real power And when the all male city council cut her salary to 1 a year after she spoke at a women's rights rally she gained full appreciation for just what she was up against Nonetheless before the job was abolished altogether two years later Van Hightower went on to help orchestrate the enormously successful 1977 US National Women's Conference in Houston as part of the 1975 International Woman's Year to help found the Houston Area Women's Center and establish its rape crisis and shelter programs and to host a radio show where she publicly discussed issues of gender race and human rights This eye opening memoir offers a window into the world of Texas history and politics in the 1970s where sexual harassment was not considered discrimination where women's shelters did not exist where no women were elected to city government where women in the parks department were prohibited from working outdoors and where women paid to use airport toilets while men did not That world that may seem distant and slightly unreal today so all the more reason to read Van Hightower's journey as a feminist Her story will remind us that while much has been achieved in gender relations and women's rights there is much that remains to be done

That Woman Anne Sebba, 2012-02-14 The first full scale biography of Wallis Simpson to be written by a woman exploring the mind of one of the most glamorous and reviled figures of the Twentieth Century a character who played prominently in the blockbuster film *The King's Speech* This is the story of the American divorcee notorious for allegedly seducing a British king off his throne That woman so called by Queen Elizabeth The Queen Mother was born Bessie Wallis Warfield in 1896 in Baltimore Neither beautiful nor brilliant she endured an impoverished childhood which fostered in her a burning desire to rise above her circumstances Acclaimed biographer Anne Sebba offers an eye opening account of one of the most talked about women of her generation It explores the obsessive nature of Simpson's relationship with Prince Edward the suggestion that she may have had a Disorder of Sexual Development and new evidence showing she may never have wanted to marry Edward at all Since her death Simpson has become a symbol of female empowerment as well as a style icon But her psychology remains an enigma Drawing from
